II. PURPOSE OF RFP AND SCOPE OF SERVICES

■ A. AGENCY OVERVIEW

The Department of Correction strives to be a global leader in progressive correctional practices and partnered re-entry initiatives to support responsive evidence-based practices aligned to law-abiding and accountable behaviors.

The Division of Parole and Community Services (P&CS) enhances public safety by providing offenders with opportunities to successfully reintegrate into the community and be productive, accountable members of society.

P&CS supervises and provides support services to approximately 3,465 offenders released to the community under the jurisdiction of both the Commissioner of Correction and the Board of Pardons and Paroles (BOPP). The Department operates a broad variety of community residential and non-residential programs to assist with the structured and supervised reintegration of formerly incarcerated individuals into the community through a network of contracted community service providers. The community service network is a comprehensive and integrated system of care provided via residential and non-residential programming to offenders. Department staff work collaboratively with contracted providers to increase the likelihood of an individual's successful reintegration into the community.

■ B. PROGRAM OVERVIEW

CT DOC is seeking to contract with Providers for Residential Work Release programs and a Residential Intensive Mental Health program for offenders released to the community.

- **Residential Work Release Programs (WR):** Programs designed to provide assistance to residents in obtaining meaningful employment. These programs provide 24/7 on-site supervision of residents. Target population is 18 years and older. The goal upon completion of the program is for each resident to have stable, legal employment, an acceptable place to live, and sufficient savings to live independently. Proposals are sought in the **Bridgeport area for 45 male beds and 15 female beds, and in the Waterbury area 15 female beds.**
- **Residential Sub-Acute Mental Health Programs (SAMH):** The Departments seeks a five bed program to address the needs of adult males 18 and older who require stabilization of behavioral health symptoms resulting in significant functional impairments too acute for long-term residential placement but not severe enough for inpatient hospitalization. The program will function as an intensive "inpatient

diversion" treatment program for those for whom an acute inpatient stay is currently not required as well as a "step down" for individuals discharging from inpatient mental health services that would benefit from additional stabilization. The duration of the placement may range from short-term (30 to 60 days) to long-term (up to 6 months), depending the individual needs and stabilization of clients.

If space, zoning, and licensure are not secured at the time of proposal submission, the proposer must affirm that they will be obtained by the proposed program start date.  - **Capacity:** *Respondents shall detail gender and age of individuals that will be accepted into the program. Proposals shall include the total number of beds proposed, total number of beds in the program, and who utilizes beds not proposed for purchase by the Department, as well as gender of both. The Department will not allow congregate housing of both males and females. The contractor shall not house DOC and non-DOC residents in the same bedrooms, and shall post signage that clearly identifies the bedrooms occupied by DOC residents. **In the event that DOC does not have the funding available and/or the need for all the beds offered in a program, proposals should also identify the minimum number of beds required in a program for the program to be sustainable.***

- **Room and Board.** Respondents shall describe the physical living space of residents, number of residents assigned per bedroom, and number of residents sharing a bathroom, as well as food and furnishing arrangements. Respondents shall provide the average length of stay needed to complete the program. The Department has established an average length of stay of:
 - 120 days for its work release programs; and
 - Ranges from short term 30 to 60 days to long term up to 6 months

The proposed program should be structured in such a way as to ensure that all components can be successfully completed within the specified timeframe. The maximum length of stay shall be determined in consultation with the Department based on the resident's needs.

Proposals should describe how programs will meet the Department's definition of cleanliness and maintenance for residential living space. The Department definition is as follows:

- *Interior Maintenance - The interior of the facility should be maintained in good repair and in a safe, clean, orderly and sanitary condition, free from all accumulation of dirt, infectious agents, and other impurities.*
- *Structural Maintenance – The foundations, floors, walls, doors, windows, ceilings, roofs, staircases, porches, chimneys, and other structural elements of the facility should be maintained so that the facility excludes wind, rain, and snow, and is rodent-proof, watertight and free from chronic dampness, weather tight, in good repair, and in every way fit for the use intended. Further, every interior structural element should be maintained free from holes, cracks, loose plaster, or other defect which renders the area difficult to keep clean, or which constitutes an accident hazard or provides insect or rodent haborage.*
- **Accountability.** The Department requires the residential programs requested through this RFP to be supervised by on-site staff on a 24/7 basis. Proposals should describe the extent to which program staff will monitor residents. Include any procedures for facility counts, community access, security policies, employment checks, etc.
- **Client Eligibility / Exclusion:** Respondents must clearly define all eligibility criteria and must identify and define any categories of individuals who would be excluded from the program. All exclusions must be fully explained including rationale for exclusion. Release status is not an acceptable criterion for eligibility or exclusion. Individuals should be accepted into the program regardless of custody status and criminal history. Preference will be given to proposers demonstrating the least restrictive eligibility and exclusionary criteria, especially with regard to individuals convicted of a sexual offense or arson.
- **Client Evaluation /Referrals:** Pursuant to C.G.S. Sec. 18-86c, in the absence of exclusionary criteria it is understood that the Contractor shall accept all referrals.

The referral process should not rely on a requirement for face-to-face interviews of prospective residents as an eligibility determination. While the Department will work

with contractors to allow pre-release physical/telephonic interviews of prospective residents, this will not routinely be a possibility within the referral timeframe.

Under normal circumstances **for Work Release programs**, the contractor shall have a not to exceed period of three (3) days to review referrals made by DOC. If the Contractor does not respond to the referral within three (3) days, DOC shall consider the referral as accepted.

Proposals should delineate the maximum time period between referral acceptance and initial intake appointment, as well as the time period between initial intake appointment and first scheduled service.

For the **Sub-Acute Mental Health program** due to the nature of the program, the contractor shall review referrals made by DOC within 24 hours of receipt. If the Contractor does not respond to the referral within 24 hours, DOC shall consider the referrals as accepted.

Due to the immediate need of placement of this population, proposals should delineate the plan to have referrals reviewed and responded within 24 hours maximum time period between referral acceptance and admittance date.

- **Intake/Orientation/Assessment.** *Respondents shall describe the process followed for each offender intake, as well as the topics covered during the orientation period. Orientation periods should not exceed one week, and should focus on initial development of an Individualized Service or Treatment Plan. Orientation must include assessment by a validated needs assessment tool(s). Proposals should indicate the evidence based assessment tool that the proposer uses, which needs to be an approved tool by DOC Parole and Community Services. DOC assessment tool preferences are SCORES (Statewide Collaborative Offender Risk Evaluation System) and WRNA (Womens Risk Needs Assessment). Providers not currently trained in using SCORES and WRNA should provide a transition plan to using these tools. Proposals should also describe the proposer's quality assurance process to ensure fidelity with the administration of assessment tools.*

Proposals for Residential Sub-Acute Mental Health programs must include an initial clinical intake assessment completed by a licensed mental health clinician upon arrival and a medication assessment by the APRN completed within 24 hours of arrival. These proposals should also include an explanation of use of any validated mental health assessment tool (such as the CAI, SASSI, ASI, T-ASI, TCUDS II, etc.).

- **Treatment Approaches:** Respondents shall address how Program staff, in conjunction with the resident, shall work together to develop an Individual Service/Treatment Plan that addresses the resident's primary criminogenic needs. The plan shall incorporate information obtained from assessments, and should identify needed services and goals.
- **Evidence-Based Programming.** The proposal must describe the extent to which services will be evidence-based and how that determination was made. Describe what evidence-based curricula will be utilized, any evidence-based philosophies utilized (for example, M/I, MET, CBT, etc.), and specific gender-responsive philosophies utilized. Cite specific research, papers, journals, etc. Copies of the cited literature will be requested, if necessary. **Do not** include them with the proposal.

- **Internal Security Measures.** The proposal must clearly describe all internal security measures.
- **Prison Rape Elimination Act (PREA).** All contractors providing residential services shall adhere to the federal Prison Rape Elimination Act of 2003, Public Law 108-79. Additionally, all contractors providing residential services shall comply with Department policies and procedures as they relate to PREA standards for contracted residential community programs, as such policies and procedures are delineated and maintained in the Department's Parole and Community Services Residential Provider Manual. The proposal must indicate whether the proposed program is compliant with PREA standards.

- **Service/Treatment Components:**
Residential Work Release Programs

The Department expects programs of this type to function primarily as programs that assist residents with obtaining employment, establishing savings accounts along with an on-site family reunification component while preparing for transition to independent living. Work Release program staff must include a Job Developer. Residential Work Release program proposals are being sought for services statewide. A specific request for a 15-bed female program in the New Haven area is wanted. The following components must be addressed.

3. Staffing Expectations (Limit 5 pages)

A responsive proposal must include the following information about all staff that the proposer intends to assign to the proposed program. Sub-Acute Mental Health Program respondents need to ensure staffing plans provide the required staffing as further detailed above in the Sub-Acute Mental Health program's service requirements.

- **Program Staff/Manager.** Include a staffing matrix in Section E. Attachments of the proposal, using the form provided in Appendix H of this RFP. Identify each staff position that will be responsible for implementing and providing the requested services, including but not limited to a Program Manager. If the staff that will be assigned to the program are currently employed by the organization, include their names and position titles. - **Multilingual and Multicultural Competency.** Describe the cultural and linguistic background of staff identified in Staffing/Program Manager section above in relation to the service population. Since it is unrealistic to maintain staff with cultural and linguistic capabilities for all potential ethnic groups, explain how the program intends to serve those ethnic groups outside the cultural and linguistic capabilities of program staff.

4. Data and Technology Expectations (Page limit 5 pages)

A responsive proposal must include the following information about the information management and performance measurement systems of the proposer.

- 2. Preparation Expenses.** Neither the State nor the Agency shall assume any liability for expenses incurred by a proposer in preparing, submitting, or clarifying any proposal submitted in response to this RFP.
- 3. Exclusion of Taxes.** The Agency is exempt from the payment of excise and sales taxes imposed by the federal government and the State. Proposers are liable for any other applicable taxes.
- 4. Proposed Costs.** No cost submissions that are contingent upon a State action will be accepted. All proposed costs must be fixed through the entire term of the contract.
- 5. Changes to Proposal.** No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, the Agency may request and authorize proposers to submit written clarification of their proposals, in a manner or format prescribed by the Agency, and at the proposer's expense.
- 6. Supplemental Information.** Supplemental information will not be considered after the deadline submission of proposals, unless specifically requested by the Agency.

The Agency may ask a proposer to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a proposal. Any such demonstration, interview, or oral presentation will be at a time selected and in a place provided by the Agency. At its sole discretion, the Agency may limit the number of proposers invited to make such a demonstration, interview, or oral presentation and may limit the number of attendees per proposer.

- 7. Presentation of Supporting Evidence.** If requested by the Agency, a proposer must be prepared to present evidence of experience, ability, data reporting capabilities, financial standing, or other information necessary to satisfactorily meet the requirements set forth or implied in this RFP. The Agency may make onsite visits to an operational facility or facilities of a proposer to evaluate further the proposer's capability to perform the duties required by this RFP. At its discretion, the Agency may also check or contact any reference provided by the proposer.
- 8. RFP Is Not An Offer.** Neither this RFP nor any subsequent discussions shall give rise to any commitment on the part of the State or the Agency or confer any rights on any proposer unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the proposer and the Agency and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs incurred by the proposer or for payment of services under the terms of the contract until the successful proposer is notified that the contract has been accepted and approved by the Agency and, if required, by the Attorney General's Office.

■ D. RIGHTS RESERVED TO THE STATE

By submitting a proposal in response to this RFP, a proposer implicitly accepts that the following rights are reserved to the State:

- 1. Timing Sequence.** The timing and sequence of events associated with this RFP shall ultimately be determined by the Agency.
- 2. Amending or Canceling RFP.** The Agency reserves the right to amend or cancel this RFP on any date and at any time, if the Agency deems it to be necessary, appropriate, or otherwise in the best interests of the State.
- 3. No Acceptable Proposals.** In the event that no acceptable proposals are submitted in response to this RFP, the Agency may reopen the procurement process, if it is determined to be in the best interests of the State.
- 4. Award and Rejection of Proposals.** The Agency reserves the right to award in part, to reject any and all proposals in whole or in part, for misrepresentation or if the proposal limits or modifies any of the terms, conditions, or specifications of this RFP. The Agency may waive minor technical defects, irregularities, or omissions, if in its judgment the best interests of the State will be served. The Agency reserves the right to reject the proposal of any proposer who submits a proposal after the submission date and time.
- 5. Sole Property of the State.** All proposals submitted in response to this RFP are to be the sole property of the State. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of the State, unless stated otherwise in this RFP or subsequent contract. The right to

publish, distribute, or disseminate any and all information or reports, or part thereof, shall accrue to the State without recourse.

- 6. Contract Negotiation.** The Agency reserves the right to negotiate or contract for all or any portion of the services contained in this RFP. The Agency further reserves the right to contract with one or more proposer for such services. After reviewing the scored criteria, the Agency may seek Best and Final Offers (BFO) on cost from proposers. The Agency may set parameters on any BFOs received.
- 7. Clerical Errors in Award.** The Agency reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial proposer is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the proposer.
- 8. Key Personnel.** When the Agency is the sole funder of a purchased service, the Agency reserves the right to approve any additions, deletions, or changes in key personnel, with the exception of key personnel who have terminated employment. The Agency also reserves the right to approve replacements for key personnel who have terminated employment. The Agency further reserves the right to require the removal and replacement of any of the proposer's key personnel who do not perform adequately, regardless of whether they were previously approved by the Agency.

■ E. STATUTORY AND REGULATORY COMPLIANCE

By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with all applicable State and federal laws and regulations, including, but not limited to, the following:

- 1. Freedom of Information, C.G.S. § 1-210(b).** The Freedom of Information Act (FOIA) generally requires the disclosure of documents in the possession of the State upon request of any citizen, unless the content of the document falls within certain categories of exemption, as defined by C.G.S. § 1-210(b). Proposers are generally advised not to include in their proposals any confidential information. If the proposer indicates that certain documentation, as required by this RFP, is submitted in confidence, the State will endeavor to keep said information confidential to the extent permitted by law. The State has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. The proposer has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. While a proposer may claim an exemption to the State's FOIA, the final administrative authority to release or exempt any or all material so identified rests with the State. In no event shall the State or any of its employees have any liability for disclosure of documents or information in the possession of the State and which the State or its employees believe(s) to be required pursuant to the FOIA or other requirements of law.
- 2. Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive.** CT statute and regulations impose certain obligations on State agencies (as well as contractors and subcontractors doing business with the State) to ensure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons.

3. Consulting Agreements, C.G.S. § 4a-81. Consulting Agreements

Representation, C.G.S. § 4a-81. Pursuant to C.G.S. §§ 4a-81 the successful contracting party shall certify that it has not entered into any consulting agreements in connection with this Contract, except for the agreements listed below. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information, or (C) any other similar activity related to such contracts. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of chapter 10 of the Connecticut General Statutes as of the date such contract is executed in accordance with the provisions of section 4a-81 of the Connecticut General Statutes. Such representation shall be sworn as true to the best knowledge and belief of the person signing the resulting contract and shall be subject to the penalties of false statement.

- 4. Campaign Contribution Restriction, C.G.S. § 9-612.** For all State contracts, defined in section 9-612 of the Connecticut General Statutes as having a value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to the resulting contract must represent that they have received the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice, as set forth in "Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations." Such notice is available at https://seec.ct.gov/Portal/data/forms/ContrForms/seec_form_11_notice_only.pdf

- 5. Gifts, C.G.S. § 4-252.** Pursuant to section 4-252 of the Connecticut General Statutes and Acting Governor Susan Bysiewicz's Executive Order No. 21-2, the Contractor, for itself and on behalf of all of its principals or key personnel who submitted a bid or proposal, represents:

(1) That no gifts were made by (A) the Contractor, (B) any principals and key personnel of the Contractor, who participate substantially in preparing bids, proposals or negotiating State contracts, or (C) any agent of the Contractor or principals and key personnel, who participates substantially in preparing bids, proposals or negotiating State contracts, to (i) any public official or State employee of the State agency or quasi- public agency soliciting bids or proposals for State contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for State contracts or the negotiation or award of State contracts, or (ii) any public official or State employee of any other State agency, who has supervisory or appointing authority over such State agency or quasi-public agency;

(2) That no such principals and key personnel of the Contractor, or agent of the Contractor or of such principals and key personnel, knows of any action by the Contractor to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the Contractor to provide a gift to any such public official or State employee; and

(3) That the Contractor is submitting bids or proposals without fraud or collusion with any person.

Any bidder or proposer that does not agree to the representations required under this section shall be rejected and the State agency or quasi-public agency shall award the contract to the next highest ranked proposer or the next lowest responsible qualified bidder or seek new bids or proposals.

6. Iran Energy Investment Certification C.G.S. § 4-252(a). Pursuant to C.G.S. § 4-252(a), the successful contracting party shall certify the following: (a) that it has not made a direct investment of twenty million dollars or more in the energy sector of Iran on or after October 1, 2013, as described in Section 202 of the Comprehensive Iran Sanctions, Accountability and Divestment Act of 2010, and has not increased or renewed such investment on or after said date. (b) If the Contractor makes a good faith effort to determine whether it has made an investment described in subsection (a) of this section it shall not be subject to the penalties of false statement pursuant to section 4-252a of the Connecticut General Statutes. A "good faith effort" for purposes of this subsection includes a determination that the Contractor is not on the list of persons who engage in certain investment activities in Iran created by the Department of General Services of the State of California pursuant to Division 2, Chapter 2.7 of the California Public Contract Code. Nothing in this subsection shall be construed to impair the ability of the State agency or quasi-public agency to pursue a breach of contract action for any violation of the provisions of the resulting contract.

7. Nondiscrimination Certification, C.G.S. § 4a-60 and 4a-60a. If a bidder is awarded an opportunity to negotiate a contract, the proposer must provide the State agency with *written representation* in the resulting contract that certifies the bidder complies with the State's nondiscrimination agreements and warranties. This nondiscrimination certification is required for all State contracts – regardless of type, term, cost, or value. Municipalities and CT State agencies are exempt from this requirement. The authorized signatory of the contract shall demonstrate his or her understanding of this obligation by either (A) initialing the nondiscrimination affirmation provision in the body of the resulting contract, or (B) providing an affirmative response in the required online bid or response to a proposal question, if applicable, which asks if the contractor understands its obligations. If a bidder or vendor refuses to agree to this representation, such bidder or vendor shall be rejected and the State agency or quasi-public agency shall award the contract to the next highest ranked vendor or the next lowest responsible qualified bidder or seek new bids or proposals.

8. Access to Data for State Auditors. The Contractor shall provide to OPM access to any data, as defined in C.G.S. § 4e-1, concerning the resulting contract that are in the possession or control of the Contractor upon demand and shall provide the data to OPM in a format prescribed by OPM [or the Client Agency] and the State Auditors of Public Accounts at no additional cost.
